Dear Parent/Carer

New Academic Reports - Parent/Carer Feedback Survey

We are always looking for ways to better support our students and their families. As part of this, we have recently updated our school reports to provide more detailed information, including your child's strengths, next steps linked to the curriculum, and class/year group averages to help you understand how your child is progressing.

We believe this change makes the reports more useful and informative, but we would really value your feedback to ensure they are meeting your needs. Your views will help us refine the reports and make them as helpful as possible for you and your child.

Please take a few minutes to complete our short survey by clicking this [link](#).

Thank you for your continued support.

Kind regards.

Yours faithfully

Miss D Anderson
