Dear Parent/Carer

St Cuthbert's Summer School
Monday 24th July – Wednesday 26th July 2023

As part of our Transition Programme, during the summer holidays we will be holding a Summer School for Year 6 students joining St Cuthbert's in Year 7 in September. The dates are **Monday 24th – Wednesday 26th July 2023 from 9:00am until 2:30pm**. The previous summer schools have been extremely successful and all the children who attended enjoyed the experience immensely.

One of the main advantages of attending our summer school is that it provides students with the opportunity to make new friends and to become familiar with the school. There is no charge, so it is an ideal way of providing entertainment for children at no cost to parents/carers.

If your child attends, they will be involved in a series of fun activities some of which may involve sport; so we advise that your child wear comfortable clothes and footwear and also brings some water with them.

A mid-morning snack of toast and juice will be provided but we ask that your child brings their own packed lunch with them also.

If your child is interested in attending Summer School, places can be reserved by completing the reply slip online by following this link: <https://forms.office.com/e/LtSJuHkKh3> or scanning the code at the top of this letter and submitting **by Friday 7th July 2023**,

or you can email us to register your interest at hello@stcuthberts.com. Demand is usually very high so please return the form as soon as possible to secure a place for your child.

If you require further information, please do not hesitate to contact me.

Yours sincerely

K Moe D Heywood
