## Key Concepts

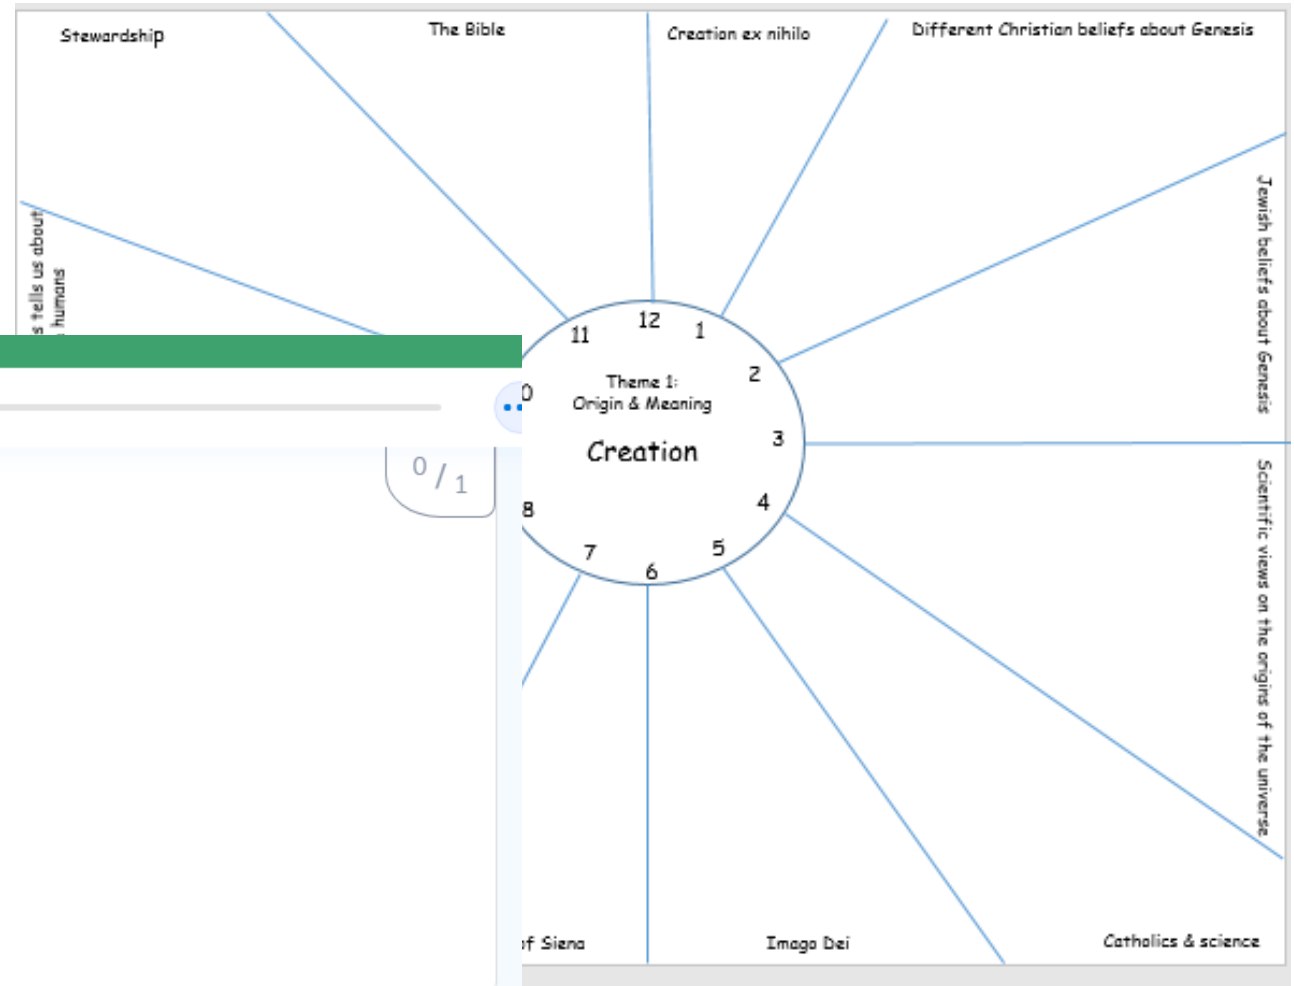

### EDUQAS GCSE RELIGIOUS STUDIES FOUNDATIONAL CATHOLIC THEOLOGY: COMPONENT 1

Theme 1: Origins & meaning	
Creation ex nihilo	"creation out of nothing". Before God created the universe, nothing existed. Only God can create out of nothing.
Evolution	the process of mutation and natural selection leads to changes in species over time to suit particular environments.
Imago Dei	In the image of God. The belief that human beings are uniquely a reflection of God's personhood. Unlike other animals, human beings are rational, free & moral.
Inspiration	"God breathed". The belief that the Spirit of God guides an individual to act or write what is good and true.
Omnipotence	the belief that God is all powerful.
Revelation	the word used to describe all the ways God makes himself known to human beings. Christians believe that God does this finally and fully in the person of Jesus Christ.
Stewardship	the duty to care for creation responsibly, as stewards rather than consumers, to protect creation for future generations.
Transcendence	existing outside of space and time; God exists in a way that makes him nothing like anything else that exists, above and beyond creation.

Theme 2: Good and Evil	
Conscience	Human reason making moral decisions. The knowledge we have of what is right and wrong and the God-given compulsion within all human beings to do what is right and to avoid what is evil.
Evil	the absence of good and the impulse to seek our own desires at the expense of the good of others which often results in suffering.
Free-will	the decision making part of a person's mind is called the will. A will is free if a person is able to choose right from wrong without being controlled by other forces.
Goodness	the quality of being like God: seeking the well-being of others selflessly.
Incarnation	"Made flesh". The Christian belief that God became man in the person of Jesus, fully human and fully divine.
Natural Law	the moral law of right and wrong which are universal and not dependent on human laws. The belief in natural law is the belief that the moral law is discoverable by every human being and is the same for all human beings in all places at all times.
Privation	the loss or absence of a quality or something that is normally present. Evil is a privation of good.
Suffering	pain or loss which harms human beings. Some suffering is caused by other human beings (often called moral evil); some is not (often called natural evil).
