

Youth **Aspergers Social Group**

The Aspergers Social Group is a group designed for young people that have Aspergers Syndrome and 'ASD' or Autism providing many services including a place to socialise and various activities to participate in.

The group offers social opportunities for members and their siblings. However, to join this group you must be in a mainstream school (for anyone older than 11). Mainstream schools don't often cater for children with Aspergers and Autism.

The group is a charity run by parents and volunteers who attend each session to help and support young people in a familiar surrounding with any issues they may be facing.
