Dear Parents/Carers

Year 11 Progress Report

We are writing to inform you of the latest data report on your child. This report will show their average score for their attitude to learning (AtL: 1 is high, 5 is low), the expected grade at the end of Year 11, the current grade which they are working at and the predicted grade for the end of the course based on teachers' judgements.

If your child is not achieving their potential then an intervention will be put in place in order for them to reach their potential.

Your child has almost finished their education at St Cuthbert's, and it is essential that they are working hard in these last few months to secure success.

We would like to thank you for all your support.

Yours sincerely

Danielle Anderson and Lorraine Tomlin
Head of Year 11 and Assistant Head of Year 11
