7 December 2017

Dear Parent/Carer

The next scheduled mock exams for Y11 start on Monday 18th December 2017 for four days for English, Maths, RE, Science, MFL and Health & Social Care exams. These days will enable us to have a closer look at how your child performs in an exam situation and give staff a clearer picture as to progress made.

***NOTE: The actual Health & Social Care BTEC exam will take place on:  
Tuesday 9th January 2018 (AM)***

The timing of these days will provide us with early identification of any areas of concern or interventions needed, and therefore afford us an opportunity to put into place strategies to further progress.

It has been demonstrated that regular attendance and punctuality are essential for progress at school, therefore it is imperative that we have full attendance on all the days and that students arrive in school for 8.30 with appropriate equipment to achieve their potential.

Monday, Tuesday and Wednesday will be normal school day timings. On Thursday, exams will start at 8.45 am and finish at 10.30 for Foundation Maths students and 10.45 for Higher Maths students. Students will be allowed to leave once they have finished their exam, hence lunch will not be available on this day and students will be expected to make their own way home. Please see the timetable overleaf for more detailed information.

School closes for the Christmas holiday on Friday 22<sup>nd</sup> December 2017.

The school wants to take this opportunity of thanking you for all your support and look forward to it continuing as we help the students find success in 2018.

If you require any further information please do not hesitate to contact us.

Yours sincerely

C. McKeagney
