16 July 2018

Dear Parent/Carer

I am writing to provide you with the annual report for your child.

The track report will show:

- An average grade for their ATL (attitude to learning per subject: 1 is High, 5 is Low)
- EYN (E=exceeding, Y=yes they are on target, or N=no they are not on target)
- Intervention (intervention so far)
- To progress (subject specific targets)
- Comment (individual comments from the subject teacher)
- Average ATL from the year so far.

At Key Stage 3 the structure of the Technology curriculum means that the students are on a carousel with the following subjects: Art, Food, Computing and Design Technology. As such, some students will not have completed the full rotation yet hence gaps in the report.

It is vital that the students are aware of their attainment at this point of the year so that they can reflect and be ready to continue to make progress when they start Year 8 in September.

I would like to thank you for all the support that you have shown and offered us this year, Year 7 is such an important year with it being your child's first year in secondary education. We wish your child the very best of luck as they make the move to Year 8.

Yours faithfully

Miss Marshall & Mr Heywood
Head of Year 7 & Assistant Head of Year 7
