December 2018

Dear Parents/Carers

Year 9 Progress Report

We are writing to inform you of the latest data report on your child which will be sent separately via MyEd.

This report will show their average score for their attitude to learning (ATL):

- 1 means an outstanding contribution.
- 2 means a very good contribution.
- 3 means a good contribution.
- 4 means that the contribution needs improving.
- 5 means an unsatisfactory contribution.

In addition to this you will be informed of the current grade your child is working at.

If your child is not achieving their potential then an intervention will be put into place in order for them to reach their full potential.

Your child has completed their first term at GCSE and it is essential that they are working consistently well in lessons and at home in order to achieve success.

We would like to thank you for all your support and encourage you to contact us if you have any queries regarding your child.

Yours Sincerely

C. Feeney and S.Lee
Head of Year 9 and Assistant Head of Year 9
