4 February 2019

Dear Parents/Carers

Whole School Assessment Week – 11-15 February 2019

I am writing to inform you that whole school assessment week begins on Monday 11th February until Friday, 15th February 2019.

All of our students will be sitting exams in all their subjects. A timetable will be given to the students (and published on our school website) and there is an expectation that independent learning and revision will take priority at home and at school.

It will be a busy time for our students and staff as they prepare for these exams and we hope it will give the students an opportunity to show how they are progressing in their studies.

We would like to wish them every success with all their exams and look forward to some fantastic results.

Yours faithfully

Mrs C McKeagney
Deputy Headteacher
