March 2019

Dear Parents/Carers

## **Year 10 Progress Report**

We are writing to inform you of the latest data report on your child sent via MyEd.

This report will show their average score for their attitude to learning (AtL 1 is high, 5 is low), the current grade which they are working at and their predicted grade for the end of their course based on teachers' judgements.

If your child is not achieving their potential then an intervention has been put in place in order for them to reach their potential.

Your child is now over halfway through their GCSE course and should be pushing themselves in lessons and at home in order to secure success. It is vital that they are reviewing their work and consolidating learning even when homework is not set.

Attendance and punctuality over the next year and a half is of upmost importance in achieving potential. Government guidelines state all students must attend school for at least 97% of the academic year.

If you have any queries or concerns regarding the progress of your child please contact us at school.

We would like to thank you for all your support.

Yours sincerely

Mr Arkell and Mrs Tomlin  
**Head of Year 10 and Assistant Head of Year 10**
