Research where bread comes from

Use the library to look for books about breads, in particular breads from other countries.

Find information about different ones, print or draw and colour some images

EG. Naan, pitta, soda, ciabatta, focaccia, garlic, baguette, rye, brioche. Fill the page.

Try some breads from other countries

Choose a few different ones from this list or find others - Naan, pitta, soda, ciabatta, focaccia, garlic, baguette, brioche.

Fill the page with your thoughts about them. What did you add to make them taste better?
