# A warm welcome to St Cuthbert's Catholic High School.

Here at St Cuthbert's we are very proud of the supportive and nurturing environment we have created that inspires our students to develop and reach their full potential. As a Catholic community, the faith aspect of our school teaches Christian values of tolerance, care and respect, with our 'Golden Rule' "Treat others as you would like to be treated" (Matthew 7:12).

At St Cuthbert's we are known for looking after all the young people in our care and treat every person that passes through the school as part of our ever-growing family.

Our dedicated staff forge great relationships with students, parents and the wider community alike and are always approachable and welcoming.

Throughout our 60-year history, we have always been at the heart of our community and we take that responsibility very seriously. Our community has and continues to rely on us for a wealth of resources. We support this by offering an environment that combines warmth and fun with a commitment to learning for our young people and their families.

We celebrate excellence in all of its forms. We equip our young people academically, practically, socially and morally, so they're ready for the next step in their lives, be that going to college, moving into apprenticeships or starting employment or training.

We also have various extra curricular activities that run alongside our broad curriculum to allow our students to further develop their talents and interests.

We welcome the opportunity to guide your son or daughter through their school life and give them the best possible start on their journey to becoming a successful, capable and well-rounded adult in their community and beyond.

**We are more than a school.**

- learning to know and accept the love of God by the way we treat each other and work together (Matthew 7:12)
- respecting and embracing all cultures and recognising that as individuals we are unique (Genesis 1:26)
- developing the gifts, talents and aspirations of all students and staff (Matthew 25:14-30)
- providing the best education for all students and helping them to live life in all its fullness (John 10:10)
- accepting the support of those in our community who work for the good of the school (Luke 10:25-37)
- reaching out to those who need our help in our world (Mark 1:39-42)
- protect and take pride in all aspects of our environment so that we become stewards of God's creation (Psalm 8)

“Treat others as you would like to be treated!”  
The Golden Rule (Matthew 7:12)

For 2022-23 the Heads of Year are:

# Safeguarding

The school's safeguarding arrangements have been reviewed in light of the 'Keeping Children Safe in Education 2022' guidance from the Department for Education.

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all students. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

## **Our core safeguarding principles are:**

- the school's responsibility to safeguard and promote the welfare of children is of paramount importance.
- safer children make more successful learners.
- All children, regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.
- All staff have an equal responsibility to act on any suspicion or disclosure that may suggest a child is at risk of harm.
- There is a culture of transparency, openness and, if needed, challenge with regards to maintaining high standards in Safeguarding.
- Students and staff involved in child protection issues will receive appropriate support and supervision.

# Attendance

Students cannot be successful if they do not attend regularly. Every effort should be made to attend school whenever possible.

The school stresses the importance of attendance and punctuality to all lessons. A good record in this area is rewarded through the Credit system of the school.

## What can you as parents/carers do?

- Please ensure that your child attends as much as possible.
- Stress to your child the need for good punctuality.
- Send them off to school in good time.
- If possible try to take medical / dental appointments after school.
- Do not book holidays during school time.

Absence Hotline Number: 08442 393065

Absence Alert Number (SMS): 07624 806848

# Attendance

Good attendance at school is acknowledged as a major factor in students' development. Poor attendance leads to disrupted learning and causes under-achievement. Therefore, we ask that parents make every effort to ensure their children's attendance is as high as possible.

## Levels of Attendance

### 90% Attendance

Persistent Absentee (PA) pupils are identified as persistent absentees if they miss 10% or more of their own possible sessions.

### 90% - 92%

At Risk of becoming a Persistent Absentee (PA) pupil. If your child's attendance reaches this level you will have been made aware of this fact. You may have received home visits or letters from the school regarding this low level of attendance.

### 92% - 95%

Needs Improvement If your child's attendance reaches this level you need to engage with the school to introduce strategies to improve your child's attendance and to prevent further absences.

### 95% - 97%

Satisfactory

### 97%

Good Attendance. It is expected that most children should reach this level of attendance.

# School Rules

1. Treat others as you would like to be treated (Matthew 7:12).
2. Be tolerant and try to understand other people's point of view.
3. Students must behave responsibly, sensibly, politely and with common sense at all times.

11. Students must not bring any items into school which are valuable. School will not take any responsibility for valuable items lost or damaged.
12. Students must respect the property of others. Any student, who damages the property of another student, or school property, will be expected to pay for such damage and disciplinary sanctions will be imposed if appropriate.

# No Smoking Policy Contract

## What we believe in:

We at St Cuthbert's Catholic High School are committed to providing the best education for all our students and helping them to live life in all its fullness.

Educating all employees, students, parents, contractors and other visitors of the dangers of smoking to health and that smoking is known to be the principal avoidable cause of premature deaths in the UK.

The compliance with anti-smoking legislation, namely Smoke -free (Premises and Enforcement) Regulations 2006 and that from the 1st July 2007 all workplaces in England must be smoke free, rendering it a criminal offence to smoke on the school premises.

Providing a healthy, clean and safe working environment for all employees, students, parents, contractors and other visitors.

## What we will do:

- Help all students to make healthy, informed choices by helping them to learn about the dangers and health risks associated with smoking and by challenging attitudes towards smoking.
- Help our young people to get appropriate personal support to help them to stop smoking.

## What parents will do

- Support you through encouragement, rewards and incentives to ensure you do the right thing
- Listen and help you and not be too judgemental
- Help the school to support you

## What you will do:

- Refrain from bringing any smoking related material into school including cigarettes, lighters, matches, tobacco, cigarette papers or any such like material
- Remain within the allowed bounds of the school yards and spaces and not venture into spaces deemed to be "out of bounds" such as behind mobile classrooms, down the steps of the boiler room, behind sheds, be outside the school during normal school hours or in any other such like place.

Continued...

# No Smoking Policy Contract

- Engage with all the strategies that school deploy in order to help you to stop smoking including attending any sessions with the school nurse, working with outside agencies who have expertise in this area or any other strategy that school uses for the purpose of support.

I understand that the school has a duty of care and a legal responsibility to take these measures to prevent me from smoking on school premises. I am also aware of the seriousness of the position I find myself in and understand that further transgression may result in my exclusion from school during break and lunchtimes and the problems this will cause for the people who care for me.

# PE code of conduct

## Injury or illness

Should your child be feeling under the weather or have an injury, please ensure your child still brings in their PE kit along with a note in their planners stating the reason why they will not be able to participate physically in their lesson. Students will still be expected to participate in their PE lesson in other ways such as umpiring, leading, observer role etc. hence, PE kit will still be required. Students are expected to bring their full kit to every lesson. If they do not bring their own kit, they will be expected to borrow items of kit from our clean, spare kit.

## Extra-Curricular Sport

Students will be expected to take responsibility of communicating any extra-curricular activities they are attending or wish to attend with their parents carers. Where possible, staff will also try to inform parents via MyEd or through social media/school website of any upcoming fixtures etc. As a school, we want students to develop a maturity of thinking or themselves and therefore inform their parents and carers if they are planning to stay and take part in clubs. We ask that you try to support them in this transition period in the hope that they will develop this and the task will become less onerous for all parties involved.

## Representing our school

We use sport as a positive vehicle to success at St Cuthbert's; we want our students to understand that their physical/academic studies and attitude go hand-in-hand. Therefore, we must reiterate that students' behaviour and attitude will be taken into account when team selections are made. Students can expect that they will not represent St Cuthbert's in a match or fixture, if they have been sanctioned due to poor behaviour in the week prior.

**Please complete the sections on the admission form to show that you have read, understood and agree to the above.**

# Food and drink

Here at St Cuthbert's we operate a BIOMETRIC CASHLESS SYSTEM for the purchase of school meal. Each student is allocated their own account to credit daily, weekly or whenever convenient.

Students entitled to free school meals for 2021/22 received £2.45\* per day. This is automatically credited to their account on a daily basis. It is usually increased each year.

- Students are of course welcome to bring their own packed lunch.
- Students are not permitted to leave the school premises at lunch time.

## What is a Cashless System?

Each student is allocated an account (like a bank account) which stores details of individual cash balances, cash spent and received, where money has been spent and on what type of food, and the date and time the money was spent.

## How does the System recognise the Student?

Students will have their thumbprint scanned and this scan is converted into a number by the System which is then registered against the Student. This way of recording ensures that the fingerprint cannot be reproduced in any way.

## How does the Student pay for meals?

The Student places their thumb on the scanner at the till in the Canteen. This brings up their account showing the Student's name, registration group, photograph and cash balance.

## How does the Student make payments into the System?

Payments should be made by ParentPay online payment system.

## Free School Meals

Students who are entitled to free school meals have their accounts credited daily, automatically, before morning break. Extra money can be added by ParentPay. To see if you are entitled to free school meals go to [www.sthelens.gov.uk/freeschoolmeals](http://www.sthelens.gov.uk/freeschoolmeals).

## Data Protection

The data held on the System will be handled under the guidelines of the Data Protection Act and access to any of the information is controlled strictly by the School.

# Our Themed Menus and Healthy Lifestyles

Our menus have been developed around current needs and demands. They are driven by our students and we constantly try new products to make lunchtime interesting and encourage a healthy balanced diet.

There is a wide variety of lunch choices available on a daily basis. Salads, pasta, jacket potatoes, a choice of hot main meals (including a vegetarian option), fruit bar, cold and hot desserts are on offer each day from The Canteen. Students can also purchase lunch from 'The Cafe' where a selection of hot and cold sandwiches/wraps, fruit and water are available.

The food served at St Cuthbert's is produced by our catering partners St Helens Council Schools Catering Service. St Helens Council Schools Catering Service were awarded a five-star rating in February 2022 for their food hygiene at the school.

Andrew Ferguson, Executive Development Chef regularly meets with our School Council and School Food Action Groups to discuss how to further develop the lunchtime offerings available within our school.

Where possible, our food is made fresh from scratch every day. Each day the main canteen has a different theme and a different menu. From 'Meat-Free Mondays' and 'Roast Dinner Wednesdays' to 'Fish and Chips Fridays' - there's something for every taste.

A full break time menu is served in both The Canteen and 'The Cafe' at morning break.

Students use their ParentPay accounts linked to their thumbprints to pay for food, which means faster queues and that they do not need to bring cash to school.

Parents are invited to sample food from our menu at our Open Evening in the Autumn Term and at our Year Six Welcome Evening in the Summer Term.

## Breakfast Club

Our Breakfast Club is open to **all students** from Monday to Friday in The Canteen from 8:00 - 8:25am.

Since November 2021 and as part of the National School Breakfast Programme, free breakfast bagels are available for all students. Gluten free cereal alternatives are also available.

# Learning

**“Senior leaders have redesigned the curriculum to ensure that pupils are well prepared for both national examinations and life beyond school. The curriculum is now designed to raise the aspirations of all pupils while allowing flexibility to ensure that it meets individual needs. Since the introduction of this new curriculum, the percentage of pupils progressing to sustained education, employment or training has increased significantly and now stands at 98%.”**

Ofsted, September 2016

At both Key Stage 3 and 4, the broad learning opportunities within the curriculum enable students to enjoy, achieve and grow in their learning. Students follow a curriculum that is appropriate to their needs, provides challenge and enables them to achieve.

## Curriculum

All students follow a 2-week timetable (A Week and B Week). Below is the programme of study for Year 7. Students across all years will have a set programme of subjects. At the end of year 9 students will make informed choices as to what they continue to study alongside their core subjects, before taking their GCSE examinations in Year 11 at the end of a two year Key Stage 4.

Subject	Number of Hours (over 2-week period)	Subject	Number of Hours (over 2-week period)

On entry students are placed on a pathway in line with their KS2 scores (please refer to assessment section on the schools website). Within this pathway they may be in a set with similar ability students or they may be in a mixed ability group..

# Relationships and Sex Education

We begin our RSE education very early on in school, firstly by developing relationships with staff right from primary school where sessions are delivered to Year 5 and 6 pupils. Induction days are then an opportunity for future students to get to know staff and meet their Form Tutors. Form Tutors see students twice a day and maintain positive relationships with students.

Relationships between students and staff are of paramount importance at St Cuthbert's and we pride ourselves on developing these with our students so that we maintain our ethos of becoming one big family. We also want students to understand that relationships are important prior to any intimacy, which may occur later on in life.

We are extremely privileged to have access to a range of good quality providers who we use on a regular basis. These include TAZ (Teen Advice Zone) and Catch-22. These are both specific to RSE. All providers have a member of staff with them on delivery who threads the Catholic teaching through any delivery to make students aware of what stance our faith has on these topics.

There are other subjects, which link into the RSE topics and staff are trained to enable them to feel confident in delivering the Catholic message as well as developing students' life skills. Subjects currently delivering these aspects are Science, Drama, English and Religious Education. Visit our website to view a copy of our RSE Policy.

## Classroom Rules

- Arrive on time and enter in a quiet and orderly manner.
- Come to lessons with the correct equipment and prepared to learn.
- Respect other people, their opinions and their belongings.
- Raise your hand when wishing to speak. Don't shout out or talk over people.
- Listen to instructions and do your best to follow them - first time, every time
- Stay in your place unless permission is given to move.
- Record your homework in your planner and make sure it is completed and handed in on time

**Always do your very best and ensure you have the best attitude for learning.**

# Equipment

All students should arrive at school ready to learn. With this in mind, your child should have the following equipment with them every day:

- Planner - will be issued on the first day of term
- Pen
- Pencil
- Ruler
- Rubber
- Sharpener

We advise that stationery equipment is kept in a pencil case. If your child would like to bring any other equipment e.g. colouring pencils, pens, highlighters etc, they are free to do so. Your child should also carry a reading book with them at all times.

If students do not have a pencil case with stated equipment, they will be expected to purchase a pre-packed pencil case. Payment can be made through ParentPay and pencil cases can be collected from the school office with the following contents: Pencil case, black pen x 2, red pen, pencil, ruler, eraser, highlighter and protractor.

Students should also purchase/keep in their pencil case a Casio Scientific Calculator also available to buy from the school office, again with payment made through ParentPay.

# Independent Learning

All students are given a planner to record independent learning (homework). The planner should be seen as a record of learning outside the classroom. This may include research, additional reading, planning, task completion and revision. Independent Learning is vital to ensuring adequate progress is made and that students are prepared for assessment.

## Outside the classroom

Students benefit from a number of these experiences taking place outside the classroom, during nationwide educational visits like Geography Field Trips, Chester Zoo, Theatre trips, RE:Treats, Science Exhibitions and PGL. All of our students are given the opportunity to travel abroad with the school, on trips and tours such as the German Exchange, Sports Trips, European Ski/Watersports Trips and Battlefields Tours.

The BYOD scheme is entirely optional and students can choose whether to participate or not.

If a student wishes to participate in the BYOD scheme, the ACCEPTABLE USE POLICY must be adhered to. Any breach of this policy will be taken seriously and may result in all student devices' being deregistered.

# ICT Acceptable Use Policy including Bring Your Own Device (BYOD)

Subject to registration to the network all students will be eligible to subscribe to the BYOD scheme. If a student wishes to subscribe to the BYOD scheme, they will need to register their devices with the managed service representative, who will provide the necessary access information, which will be unique to the student allowing them to connect up 3 devices.

The school Service Desk will not provide support related to device hardware or related to software installed on the device with the exception of access to the network.

On leaving the school, students will be required to delete any information relating to the schools network stored on the portable device and, on request, provide a signed statement that you have complied fully with your obligations under this clause.

- Adhere to the Fair Use Policy. Internet access on a student owned device will be provided to aid student's studies as such bandwidth usage should reflect this. Typically students should be accessing less than 5GB per month of data via the internet unless a special arrangement has been made.

I agree to report any misuse of the network to a member of staff.

# Disability information

Disability Equality Duty is an additional duty in the Disability Discrimination Act, for schools and colleges to promote equality for disabled persons. This includes disabled students, disabled parents and disabled carers.

“Disability is a physical or mental impairment which has a substantial and long term adverse effect on a person’s ability to carry out normal day-to-day activities” (Disability Discrimination Act 1995 Part 1 Paragraph 1:1). This definition was amended and broadened in December 2005 under the 2005 Disability Amendment Act to include:-

- People with cancer or surviving cancer are now included, as are people with HIV and Multiple Sclerosis from the point of diagnosis.
- For mental impairment the need for it to be clinically well recognised has been removed.

In addition to this, the school has adopted the Disability Equality in Education recommendation that all students with Special Educational Needs and those with long term medical needs be treated as disabled for the purposes of the Act for equality. This is in addition to all students with long term impairments, which have a significant impact on their day-to-day activities.

We need to gather information to identify the students, parents and carers who are covered by the Duty. Once this information is available, it will then lead to further actions to improve outcomes for disabled persons.

**Please complete the sections on the admission form to date data is available to the school and aid longer term planning to meet the needs of students, parents and carers.**

# Health and safety

At St Cuthbert's we are committed to the health and safety of our students, staff and visitors.

Ensuring the safety of our school community is of paramount importance to us and this policy reflects our dedication to creating a safe school.

## Students will:

- exercise personal responsibility for the health and safety of themselves and others.
- dress in a manner that is consistent with safety and hygiene standards.
- respond to the instruction of staff given in an emergency.
- observe the health and safety rules of the school.
- not misuse, neglect or interfere with items supplied for their and other students', health and safety.

# Young Carers

A young carer is a child or young person who looks after someone in their family who has an illness, a disability or is affected by mental health or substance misuse.

## Definition of a Young carer:

- aged between 6-18 years old
- responsibilities they may have in the home can be cooking, cleaning, shopping, looking after siblings, giving medication, helping to wash and dress and listening to their worries.

Support is available from Miss Tierney, our friendly School Lead Officer who's available to offer advice and signpost or liaise with St Helens Young Carers.

**Please indicate on the admission form if your child is a young carer so that we can offer support.**

# Fire evacuation procedures

To comply with the various legal requirements contained in the Regulatory Reform (Fire Safety) Order 2005 (RRO) and other older legislation, a Fire Safety Management System is in place and regularly maintained.

As part of this the fire alarm is routinely tested every Thursday morning at 7.30am. No action needs to be taken.

Each term the fire evacuation procedure is practiced so that students and staff are fully aware of what they are expected to do in the event of a fire being discovered.

In the event of a fire being discovered, operate the nearest fire alarm.

On hearing the fire alarm, staff and others will leave the building by the nearest exit and proceed to the assembly point quickly and in SILENCE.

The assembly point is the yard area next to the sports hall.

When this is reached students should go to their year group location and should get into form groups in single file and alphabetical order for registration.

Throughout the emergency students must remain SILENT so that the organisation and registration of the school can be conducted quickly.

The Responsible Person will direct evacuation procedures in the event of the alarm being raised and ONLY the Responsible Person will decide when it is safe to re-enter the building.

## Refuge Points and Evacuation chairs

There are three Evacusafe Evacuation Chairs which are located at refuge points in the Main Building, Science Block and Humanities Block. Students requiring the Evacusafe Evacuation Chairs should make their way to the nearest refuge point with a member of staff and await further instructions.

# Extra-curricular activities

## We are thriving

Students can choose from over 30 extra-curricular clubs and activities that take place during the school year, including music, dance and drama, netball, hockey, football, rugby, basketball, gymnastics, cheerleading, trampolining, athletics, cricket, Duke of Edinburgh, Photoshop and Photography, ICT and many, many more. The school campus provides facilities for our students to learn, train and practice together, including AstroTurf, fields, courts, the sports hall, gym, fitness room, drama theatre, music rooms/studio and two large art rooms.

The school extra-curricular timetable will be issued in the first few weeks of the autumn term and will be available online on our school website.

## We are inspiring

Our motto “Live life in all its fullness” comes from the words of Jesus “I have come in order that you might have life—life in all its fullness.” (John 10:10). Over the course of the coming weeks, months and years, we will work together to discover what that truly means for each and every one of our young men and women.
