# Revision techniques for Science.

EXAM DATES: Combined Science Biology Paper 1: Friday, 10<sup>th</sup> May 2024 AM Combined Science Biology Paper 2: Friday, 7<sup>th</sup> June 2024 PM

Combined Science Chemistry Paper 1: Friday, 17th May 2024 AM Combined Science Chemistry Paper 2: Tuesday, 11th June 2024 AM

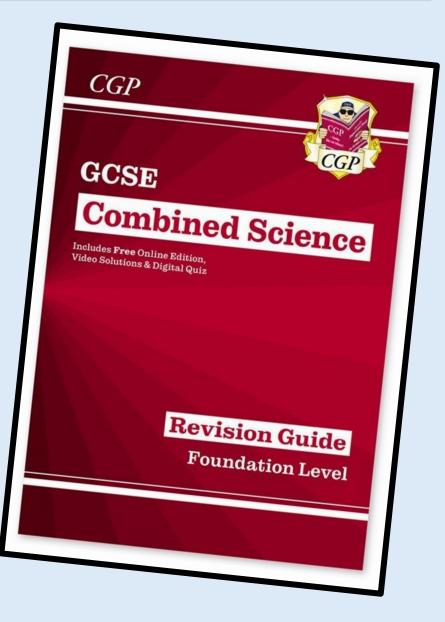

Combined Science Physics Paper 1: Wednesday, 22<sup>nd</sup> May 2024 AM Combined Science Physics Paper 2: Wednesday, 14<sup>th</sup> June 2024 PM

#### What is the point?

Revision is the process of going over your work in order to remind yourself of material you may have forgotten, identify any gaps in your knowledge, check your understanding and reinforce what you have learnt.

#### Where do I start?

#### Revision guides aren't for me?

#### Emma the teachie

Free online Science lessons

#### <u>Revision guides aren't for me?</u>

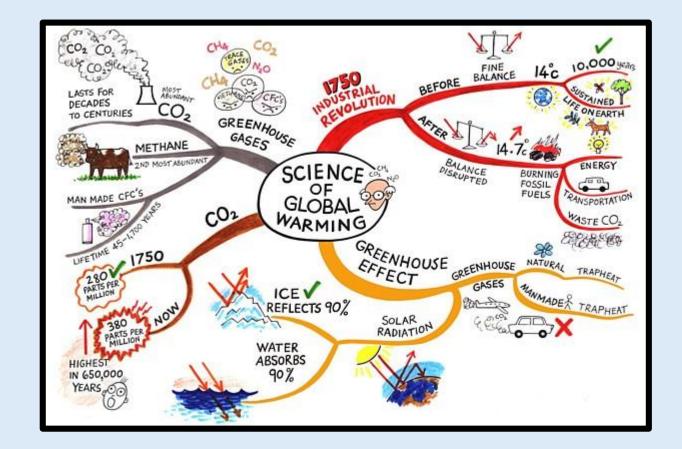

@mattgreen.jgm The rapping Science teacher

## How do I use them?

#### Strategy number 1: Mind maps.

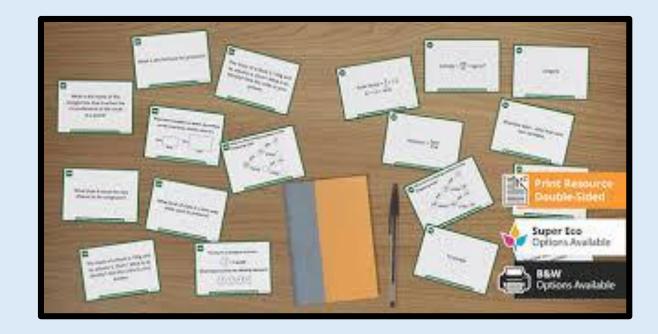

- 1. Add key content,
- 2. Write key questions and answer them another day.

#### How do I use them?

#### Strategy number 1: Flash cards

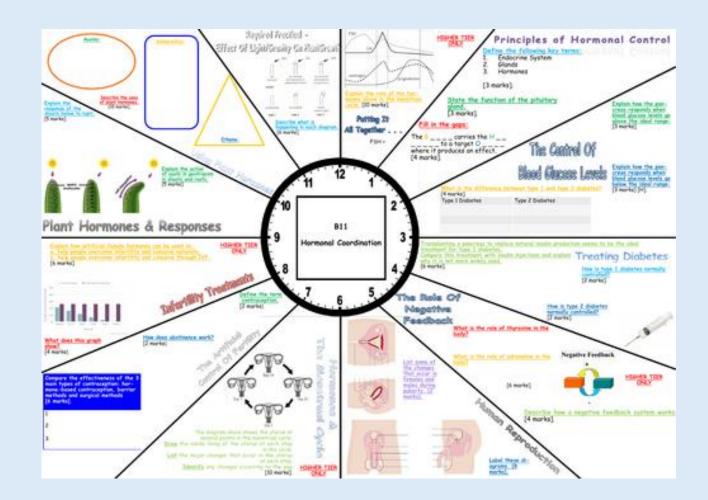

- 1. First side title of the topic or questions.
- Second side the answer
   or the key information for
   that topic.

## How do I use them?

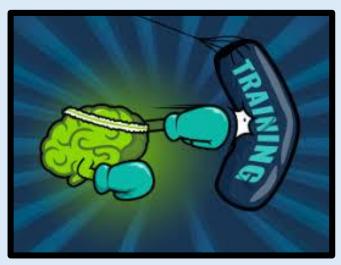

#### **Strategy number 3: Revision clocks**

- 1. Key topic title in the middle.
- 2. Key information is short bitesize pieces

## Reinforce your revision!

- 1. Similar questions most years.
- Helps you to work out what you still don't understand.
- 3. Helps with exam
  - technique e.g command words.

## Finally, some key rules!

- 1. Do not just copy from your revision guide or exercise book, over and over again.
- 2. Don't spend too long revising on one topic, max 25 30minutes then move on.
- 3. Remember to have comfort breaks e.g. have a snack etc
- 4. Bring past paper questions you have completed back to your teacher so we can mark and help you in Science.
- 5. Start with the topics you are struggling with the most.

#### <u>Reminder</u>

 Most dinnertimes we have Science intervention sessions, please look at the Science classroom doors to find out where and when.
