Dear Parent/Carer

Geography GCSE Revision Guides

As we approach the critical period of preparation for the upcoming Geography GCSE examinations, we are committed to supporting your child's success by providing them with the best resources available. One key tool that will significantly aid your child's revision is the following revision guide.

Oxford Revise: AQA GCSE Geography Complete Revision and Practice
<https://global.oup.com/education/product/9781382039819/?region=uk>

This guide has been carefully selected to align with the syllabus your child is studying. It covers essential topics, offers concise explanations, and provides practice questions that will help reinforce their learning and improve exam technique.

We are pleased to inform you that we can offer this revision guide at a discounted price of £5.50 (RRP £10.99). This discount is available through a bulk purchase arranged by the school, and we believe this represents excellent value for such a vital resource. We can only purchase the guides when all payments have been received.

If you would like to take advantage of this offer, please make your payment of £5.50 via Parent Pay by Friday 10th Jan 2025. If you experience any difficulties with the payment or have questions about the guide, please do not hesitate to contact us.

We strongly encourage all students to use this guide as part of their revision routine to maximise their chances of success in the forthcoming exams.

Thank you for your continued support of your child's education.

Yours faithfully

M Langan
